

# FASTAID SNAKE & SPIDER BITE™ SOFT PACK FIRST AID KIT

## Description

- Green fabric soft pack
- Adjustable belt loops for portability
- TGA registered no. 128314
- Essential snake and spider bite treatments
- Full colour identification and treatment guide

The FastAid Snake & Spider Bite™ first aid kit is an essential addition to any first aid kit whilst outdoors, equipping you with what you need to deal with that unexpected snake or spider bite moment.

A compact and lightweight kit, this first aid kit is perfect for your backpack or emergency kit, or even to simply slip on to your belt whilst hiking or attach to your bike, ATV or farm machinery.

Quality hospital grade contents including heavy weight compression bandages, instant cold pack and more are TGA registered giving you peace of mind that FastAid only uses proven and effective contents.

A full colour easy-to-follow Symptoms and Treatment Guide also provides you with critical information you need in the heat of the moment after a bite.

All packed in a flexible soft pack case with adjustable belt loops for excellent portability, this trusty kit will be by your side ready to help in that unexpected situation.
