#### Product information

Portwest's cooling vest is designed from material made specifically for body cooling. This construction is to help counter the harmful effects of heat stress. The vest lowers body temperature and can be re-cooled in minutes which offers hours of cooling without compromising mobility. The fit of this vest is designed to clear your waist, providing ease when sitting or standing.

#### All Weather Protection

Portwest rainwear is engineered with exceptional fabrics and designs, allowing these garments to transition between work and leisure. The best quality materials and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
