APPLICATION GUIDELINES

- Use at least 35ml per adult application: 5ml (a teaspoon) to the face (including ears and neck), each limb, the back, and the front of the body.
- Apply liberally onto clean, dry skin and rub evenly at least 20 minutes before sun exposure. Re-apply every 2 hours and after swimming, exercise or towel drying.
- Avoid intensive midday sun or prolonged sun exposure. Keep young children out of direct sunlight. Wear protective clothing, a hat, sunglasses and sufficient ProBloc sunscreen for all unprotected areas.
- Caution: For external use only. Avoid contact with eyes or fabrics.
- Discontinue use if signs of irritation or rash appear. For sensitive skins, test product for any irritation on a small area of skin.
