Introducing the all-purpose powerhouse of the RotoFlex range, the MAX #9099 AQUASHIELD. Combining style with top-tier safety, this boot features ultra water repellent leather and a fully waterproof bootie, designed to conquer any terrain and meet every challenge.

- Premium water-repellent wheat nubuck leather upper safety boot—150mm height
- Sympatex waterproof membrane (bootie)
- Durable, heavy-duty zip with industrial grade zip fastener & fully waterproof gusset lining
- Full bellows tongue
- Non wicking (water repellent) stitching and zip
- Artico lining for premium comfort—developed to maintain a stable temperature to reduce sweat
- Heavy Duty TPU moulded toe guard designed for superior leather protection

GRIPTEK[®] MAX—Vibram sole made of Vibram TC4+. Industry-leaders bringing the best engineering and componentry to create a sole with the highest slip rating.

- rubber outsole heat resistant to 300 °C
- fuel oil resistant
- excellent abrasion, cut and slip resistance

FORTASHIELD —broad fitting, cut-resistant steel toe cap tested to resist a 200 joule impact.

AIRCELL—uniquely constructed zoned airflow footbed is designed with specialised breathing channels to activate ventilation, moisture control and provide full-body cushioned comfort. The footbed is anti-bacterial, washable and breathable.

SOFTCELL[®]—the overarching comfort system utilising a combination of specialist materials and the unique biomechanical foot-cradling design to increase stability, balance, comfort and manoeuvrability. Designed to reduce the risk of trips, slips and falls.
