HPFPRGT31

LED Cap Lamp

270 LUMENS, IP67

Features

- **Adjustable Light Angle:** Tilts to direct light towards the ground, straight ahead or up a wall.
- **270-lumen LED / 10,000 Lux output:** Delivers bright, effective task lighting.
- **High and Low Modes:** Balances brightness and battery life.
- **Up to 18-hour Runtime:** Supports extended shifts and demanding tasks.
- **IP67 Protection:** Resists dust and temporary water immersion.
- **Intrinsically Safe:** Tested and compliant under EN IEC 60079-0:2018.
- **Rechargeable:** Comes with charger.
- **Integrated Cap Clip:** Attaches securely for hands-free use.
- **Lightweight Design:** Minimises added weight on head protection.
- **Fits Force360 Miners Hard Hat:** Poly or metal bracket + most brands in the Australian market.
- **Retail Packaged:** Convenient and ready for purchase.
- **FSC Packaging:** Responsibly sourced paper-based packaging.
- **ARL:** Clear instructions showing how to correctly dispose of each packaging component.

Specifications

Part No. HPFPRGT31
