The business end (on-end) of shirting

This shirt is the business. Centred on a ¾ sleeve with movement-enhancing split cuff, this easy contemporary fit features a classic collar and a clean placket front with shaping darts for added structure. Sister to the more laidback chambray, Smith's signature end-on-end weave creates a subtle, heathered effect, delivering sophisticated versatility to everyday wear. Rendered in a crisp, lightweight poly-cotton blend with an easy-iron application, its name already reflects true craftsmanship.
